Dear Heather,

Pension Report for the Purposes of Family Proceedings

This letter is a formal instruction to prepare a Pensions on Divorce Expert (PODE) Report as a Single Joint Expert (SJE). That report should enable us, together with any other relevant parties, to understand the pension benefits available to us both and the relevant apportionment to achieve a fair split of those funds.

Please ensure that all correspondence with either of us or our advisers is copied to the other. Similarly, any conversations engaged with one should be disclosed fully to the other. This reflects your impartial role in the proceedings.

Documentation Required
